Summary Comments:

For governor we strongly endorse Ron DeSantis. Ron DeSantis is an extraordinary candidate with the highest level of documentation – how he votes! NumbersUSA gave him a 98% on immigration. The National Tax Payers Union rated him an A for reducing taxes. He voted for vouchers for the DC kids, to repeal Obamacare and co-sponsored the Death Tax repeal Act of 2015. He clearly deserves our support and our vote.

In contrast, his opponent, Andrew Gillum, wants to open our borders, make Florida a sanctuary state, abolish ICE, and put thousands of criminals back on the streets, all while taking power and money away from the very people he claims to want to represent. He wants \$33 Trillion for his healthcare plan alone. His plan of free healthcare for all alone will cost \$33 Trillion. He opposes school choice. And his plan to pay for all this is to raise taxes. <https://www.miamiherald.com/news/politics-government/state-politics/article218630695.html>

Our Revolution, the Socialist/Fascist group claiming to pick up where Bernie Sanders left off, endorses Gillum and a slew of radical far left candidates.

Radicals that want to redefine the traditional view of the family support Gillum...George Soros supports Gillum. Radical billionaires love Andy Gillum. See: <https://www.youtube.com/watch?v=n-uCwPtZfc>

Also DeSantis voted for vouchers for the DC kids, to repeal Obamacare and co-sponsored the Death Tax repeal Act of 2015. **Ron DeSantis clearly deserves our support and our vote.**
